

# GO HOME...

## TO A LIFESTYLE YOU'VE ALWAYS WANTED...

There's something special to be said for places like Georgetown. With a population of over 25,000, it combines the ambiance of a small village with sophisticated urban amenities. Its historic downtown boasts graceful Victorian buildings, many featuring boutiques, restaurants and professional services. New retail development is concentrated along Guelph Street (Hwy. 7), where you'll find several major shopping plazas. New schools, both separate and public are located nearby, as well as recreation centres that house social clubs and sport leagues for all ages. Georgetown's GO Train/Via Rail station is located conveniently close to Cachet Hills. If you love to take nature walks, hike, cross-country ski or fish, the

Credit River Conservation corridor is yours to enjoy year-round. Georgetown and Cachet Hills, made for each other...and you.

## TO THE LOCATION OF A LIFETIME...

Cachet Estate Homes went looking for the perfect location in Georgetown and found it in Cachet Hills. Nestled into a hillside, Cachet Hills' streetscapes offer spectacular views on the rolling countryside, the historic hamlet of Glen Williams and the Credit River. With two private cul-de-sacs and a street connecting to an existing roadway, this community is family-oriented, meaning there will be little outside traffic passing through the neighbourhood. All of which makes Cachet Hills a very special place to live in Georgetown.

### TO LEGENDARY TRADITIONS...

Luxurious and cozy, these are the words that best describe Cachet Hills' 33' collection of 4-bedroom, single detached homes. See how we've positioned the garage underneath to give you more living space above, thus creating an elevation that's as refined as it is practical. Note the beautiful blend of pre-cast stone, brick and heritage inspired board and batten siding for added character and individuality. Many designs feature eclectic window styles and such one-of-a-kind features as balconies for outdoor enjoyment. Inside, Cachet's passion for creating exceptional interior design is at its height at Cachet Hills. Half-walls, decorative columns, 9 ft. main floor ceilings, double door entries, breakfast bars, family room fireplaces and master ensuites all give you luxury beyond comparison. With so many different elevations to choose from, you'll find exactly what you're looking for at Cachet Hills.

### TO ALL YOUR DREAMS & WISHES...

Inspired by Ontario's heritage country homes, Cachet Hill's 35 ft. wide, 3, 4 and 5 - bedroom designs blend yesterday's architectural style with thoroughly modern interiors made for today's lifestyles. All exteriors have covered entries for relaxing outside, double car garages for convenience, window styles from bay to tudor, decorative detailing and dramatic rooflines. There are even elevations that allow for upper level walk-out balconies. Inside, Cachet has created sumptuous rooms that flow beautifully together. Gracious foyers lead into stylish living/dining rooms with coffered ceilings, decorative columns, half-walls and large windows. Tastefully appointed kitchens have breakfast bars, built-in pantries and sliding door walk-outs. Elegant fireplaces with elaborate mantles give family rooms their intimate charm. Upstairs, escape to media rooms, 2nd bathrooms, and master bedrooms with gorgeous master ensuites with corner tubs and glass showers. With some designs offering upper level balcony walk-outs, style like this can only come from Cachet Estate Homes.

## TO IMPECCABLE QUALITY...

Presenting Cachet Hills' premier four bedroom designs set on large 40' wide lots. Imagine a collection of distinctive elevations, including some upper level walk-out balconies. All with convenient double car garages, covered entries with double doors, and oversized windows in a variety of pleasing styles. Enveloped in complementary brick with board and batten style siding, these designs prove that yesterday's architecture is indeed timeless. Inside, Cachet's roots as a custom home builder are easy to see. Elegant foyers meet gracious staircases. Statuesque columns, decorative half-walls and coffered ceilings enrich rooms with style. Designer kitchens include pantries for extra storage space and generous work islands. And family rooms wouldn't be complete without mesmerizing fireplaces and elegant windows. Upstairs, Cachet delivers 5-pce. master bathrooms, coffered and cathedral ceilings, and bedrooms with adjoining ensuites for convenience. This is luxury. This could only be Cachet Estate Homes.

## TO THE MANOR BORN...

Cachet Hills features some of Georgetown's most beautiful homes. The community is nestled in a hillside setting just steps from the quaint, historic hamlet of Glen Williams. Amid the rolling hills of the prettiest countryside imaginable, Cachet Estate Homes has developed a neighbourhood that offers truly inspired home design. The detached homes at Cachet Hills are virtually sold out, but Cachet has recently announced that there are 25 remarkable townhomes still available. Branded "The Towne Manors", these homes invoke images of high society living from a gentler age long past. Graceful entrance columns, varied dormer styles, porticos, unique window shapes, high pitched roofs and gables combine with board and batten siding and clay brick to create the ambiance of classic old Ontario inspired architecture. Situated on sloping grounds, there are no two elevations exactly alike, affording a unique personality to each home.

The Towne Manor designs are impressive. These are upscale residences for buyers who are looking for true executive living. There are 2-storey walk-out and 3-storey designs with a caliber of features and fin-

ishes that spell authentic luxury. Strip hardwood flooring, a marble foyer, soaring 9' main floor ceiling heights and a completely finished lower level are but a few of the standard features included.

The homes offer three floors of stunning space, which includes finished lower levels that feature, in many models, recreation rooms and spacious home offices.

Country-size kitchens with centre gourmet islands, open concept kitchen-family rooms and kitchens with breakfast rooms are some of the styles available. All kitchens have spacious walk-out decks. Towne Manors feature magnificent master bedroom retreats with beautifully appointed ensuite bathrooms and walk-in closets.

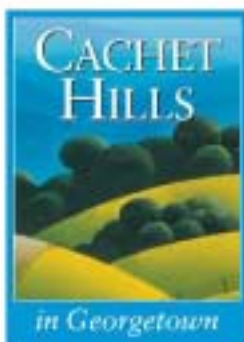

Cachet Hills Sales Centre is located on Meadowglen Blvd. in Georgetown. It is open Monday to Thursday from 1 to 8 pm and on weekends and holidays from 11 am to 6 pm. Closed Fridays.
